The schedule shown above is for toddler's **ages 16 months to 2.5 years.**

Our **toddler curriculum** offers children experiences, which emphasize emotional and social development as well as the development of cognitive, language, physical, sensory perception, spatial ability, creative expression, and self-awareness.

Our Creative Curriculum for Toddlers offers themed lesson plans that give fun and engaging day. Our toddler curriculum offers many hands on play for little learners. Our toddler curriculum helps the children to build friendships as they learn to communicate with each other as their language skills develop. Through age-appropriate activities, our toddler curriculum **encourages growth and exploration.**

Toddlers will have fun **age appropriate activities** that involve the sights, sounds, and textures around them. Some of the activities they engage in include: art and sensory experiences, doing puzzles, hearing stories, using play dough, and playing with water or playing with rice in a sand table.

Our curriculum fosters **social & emotional development** and provides plenty of hands-on activities.
